Registration Information for the Master of Education course

- Please register for the internship semester via www.uni-siegen.de/zlb/praxiselemente/bama
Registration must be completed by 30.Oct. At the latest for the completion of the practical semester in the summer semester. or for graduation in the winter semester at the latest 14.May. respectively
- We advise freshmen (or students switching programs) in the summer semester, that a curriculum for the first semester is not offered in all subjects in full (this applies in particular to the subjects of Faculty I). This can lead to an extension of the study duration when starting studies in the summer semester.

Information for Switching Programs / Registrations

When switching to / registering for a higher semester, the assessment notice and, if applicable, the admission letter must be enclosed.

When switching to/ registering for a restricted admission program, the admission letter must be enclosed.

The deadlines of the University of Siegen apply (<http://www.uni-siegen.de/zsb/termine.html>) .
