

Dear teachers at the University of Siegen,

With a new, ongoing, and internal funding line, the Commission for Quality Improvement in Teaching and Learning would like to support pilot projects that aim at an innovative improvement of the offer in university teaching.

### **What is „Besser innovativ“?**

Due to the continuing need for the implementation and consolidation of innovative university teaching at the University of Siegen, the Commission for Quality Improvement in Teaching and Learning awards financial support for pilot projects for the development, testing and evaluation of innovative teaching, learning and/or examination formats, digital and/or analogue, within the framework of the funding line Besser innovativ!

### **Framework**

- All teachers at the University of Siegen are eligible to apply.
- Funding is provided for material resources incl. support staff (with explicit description of the integration of acquisitions into the project).
- Project duration: max. six months
- Start of project: **01.04. or 01.10. of each year**
- Deadline: **31.12. or 30.06. of a year**

*!Please note that double funding with the funding line “Besser digital!” is excluded.!*
